

Terms and Conditions

A Minimum stay of 2 nights is required

BOOKINGS/PAYMENTS

To secure your holiday accommodation, a deposit of 25% must be paid within 7 days of the original booking.

Full payment is required 14 days prior to arrival.

The premises are rented for holiday purposes only for the period stated on the receipt. Functions are not permitted on the premises without prior permission in writing.

The number of people occupying the premises is not to exceed the number of people that beds are provided for (6).

Payments can be made by Visa, Mastercard, Bankcard, Cheque or Direct Deposit via Paypal.

CANCELLATIONS

Cancellations, by either party, 31 days prior to the commencement of the booking will be refunded in full.

For cancellations less than 30 days prior to the commencement of the booking, the deposit will be forfeited unless the property can be relet for the entire period.

For cancellations made less than 14 days prior to the commencement of the booking, no refund will be available. We recommend travel insurance to cover this possibility.

To affect a refund, cancellations must be in writing.

CHECK-IN/CHECK-OUT

The premises are available from 2pm on the day of your arrival and are to be vacated by 10am on the day of your departure. Whilst every effort will be made to accommodate early overseas arrivals and late departures, we strongly recommend arriving at the property prior to 5 pm. Please advise by calling the phone numbers below if you are delayed.

GENERAL

Due to local health regulations no pets are allowed into holiday rental accommodation.

Shopping facilities are limited. We recommend self catering guests shop prior to arrival. The nearest supermarket is in Mossman. However there are several cafes and restaurants nearby.

There is no electricity grid in the Daintree area, and our solar system at the house does not allow for use of any plug in electrical appliances. Our solar system provides power to fans, overhead and bedside lights, TV and DVD.

Refrigerator, stove and hot water are run on LPG gas.

Our only water supply is from rain water collection tanks, which needs to be conserved.

The concrete driveway is moderately steep, and is best accessed in a manual vehicle driven in low gear, or an all wheel drive vehicle.

PERSONAL ITEMS

No responsibility is taken for any personal items left on the premises after departure.

ADDITIONAL CHARGES

The phone can be used for local calls, which are free. We highly recommend using a phone card for all your STD and IDD calls. Mobile phones do not pick up a signal over the Daintree River.
